Re: Supplemental Response to Newtown Creek Superfund Site, Kings and
Queens County, New York Request for Information

Dear Mr. Mintzer:

This letter is the supplemental response of Sunoco, Inc. and Sunoco, Inc. (R&M) (collectively, "Sunoco") to the U.S. Environmental Protection Agency's ("EPA") Request for Information pursuant to Section 104(e) of CERCLA, dated October 25, 2011, with respect to "Other Newtown Creek Properties."

Sunoco incorporates in this response all of the General Objections set forth in its January 31, 2012 response.

Sunoco's response to this Request for Information is limited to the currently available information and personnel, and Sunoco reserves the right to supplement, modify and/or amend its response if new or additional information becomes available. Sunoco does not routinely maintain documents or other information beyond timeframes specified in corporate records retention policies or as otherwise required by law.

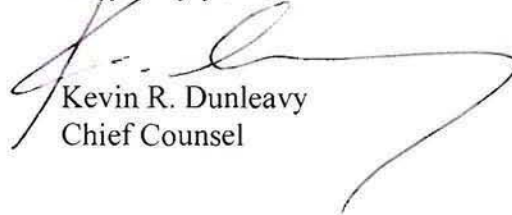

Based upon Sunoco's review of information and documents in its possession, no "Other Newtown Creek Properties" were identified. This conclusion is also based upon Sunoco's understanding that Newtown Creek and its tributaries is that area identified in yellow on Exhibit "A" attached hereto. One former retail gasoline station owned by Sunoco, Inc. (R&M) and operated by an independent dealer was located at 32-32 Queens Boulevard, Long Island City, New York. This

location is also shown on Exhibit "A" and is greater than one thousand feet from the shoreline of Newtown Creek and each of its tributaries, among possibly other locations. This location is believed to have ceased operations on January 31, 1996.

Sunoco is willing to provide additional information if specifically requested by the EPA in the future and in compliance with CERCLA, provided that the information is relevant, reasonably available, has not already been provided and is not otherwise subject to these objections.

Please call our outside counsel, Joseph Freudenberg, Esquire at 215-575-7289 if you have any questions regarding this response.

Very truly yours,

Kevin R. Dunleavy
Chief Counsel
